

SHORT FACTS

Two-week rammed earth workshop.

EARTHWORK 2018 will focus on the rammed earth building technic. Within this practice-based and theoretical-accomplished course you will be trained in all general principles while building a small teahouse including an integrated niche (vault) and an oven. Next to our building-project you will have the chance to learn and experiment in a small scale.

When Mo 13th - Sa 25th August 2018
Where Nenzing, Vorarlberg/Austria
Costs Participation fee € 900,- (incl. all lessons and daily lunch)
 Accomodation 14 nights € 420,-
Application Deadline Thu 31th May 2018

TOPICS

General

- concepts of rammed earth building
- material knowledge
- formwork technique
- building site organisation
- material conform detailing

Specific

- building weathered rammed earth walls
- building rammed earth floors
- building rammed earth vaults
- building an integrated oven
- building in connection with conventional building technics

PROGRAM

After welcoming and introducing all participants with each other, the place and the course organisation, we will use the first day for a basic theoretical introduction in earth building with focus on rammed earth. Followed by mixing our own material and ramming your first samples, you will have a instructive overview about the topic.

The regular workshop day starts at 9 am and will finish officially at 6 pm. While building up together the teahouse respectively experimenting in a laboratory on your own, you will get an extensive learning experience in building with rammed earth.

The program is accomplished by guest lectures, peer lectures as well as one day for an excursion, to visit featured projects in the region.

Number of participants

To ensure everyone gets an appropriate study and working place, the number of participants is limited to 15 people in total.

Accommodation and life costs

For all participants we offer a reasonable accomodation for 14 nights in the village of Nenzing. You can book additionally to the workshop your accomodation in two appartments (mainly double bed rooms), within a 10 min footwalk from our workshop place. Breakfast is not included.

The participation fee includes daily lunch. Dinner is not included.
